### **Knights of Columbus Hon. W. Patrick Donlin Assembly #2459**

Assemblies represent the Fourth Degree of the Knights of Columbus.

The Fourth Degree is the highest degree of the order. The primary purpose of the Fourth Degree is to foster the spirit of patriotism and to encourage active Catholic citizenship.

Only Fourth Degree Knights may optionally join the Knights of Columbus' prestigious Color Corps, the most visible arm of the Knights, as they are often seen in parades and other local events wearing their colorful regalia.

The need for a patriotic degree was first considered in 1886, and a special plea was made at the National Meeting of 1899. The first Fourth Degree exemplification followed in 1900 with 1,100 Knights participating at the Lenox Lyceum in New York City. Today there are more than 2,500 Assemblies.

The Hon. W. Patrick Donlin Assembly calls St. Mary's Church, the founding church of the Order, home. The Assembly is active in both Patriotic and Catholic causes, and promotes both through participation, volunteerism and monetary support.

This golf fundraiser seeks to support veteran and military programs, and other charitable causes.

Thank you for your support,  
The Committee

WWII Veteran George Pappacoda of East Haven was presented with a portable oxygen machine on Christmas eve by Tony Mansi & Rob Ellis, both veterans themselves and members of the Donlin Assembly. Thanks to funds raised from past sponsors and golfers of our golf fundraiser we are able to make generous donations to veterans in need.
